#### We are proud to be exclusive stocklists of:

##### NAT. Natural Skin & Body Essentials

The NAT. Range use only pure plant essences that work in harmony with the body for cell support, skin re-generation, wrinkle defence and boosts nourishment to the skin. NAT. Products are drawn from pure botanicals and are free from harmful chemicals.

##### institut' DERMed clinical skincare

Serious cosmeceutical products and treatments to help you take control of your skin's health, institut' DERMed cosmeceutical skin and body care products contain the highest concentration of active ingredients available without prescription.

##### Jane Iredale - Skin Care Makeup

This natural make-up combines the most up-to-date colours with skin-care benefits that conventional make-ups can only envy. A true mineral make-up, developed in 1994, the Jane Iredale line is so safe and beneficial to use that it is recommended by Plastic Surgeons and dermatologists throughout the world.

##### St Tropez Self Tanning Products

Our St Tropez Self Tanning Products works with your natural colouring to give you the best tan possible.

##### Jessica Natural Nail Products

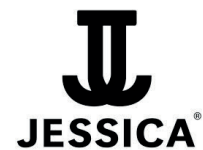

JESSICA's natural nails are known for their signature quality. Lustrous colours that glide on like silk, looking fresh for up to 2 weeks.

##### Revitalash

Using a small amount of Revitalash ADVANCED once a day will beautify and nourish your natural eyelashes for luxurious results.

##### Dermaquest

Welcome to the world of unparalleled skincare. Since 1999, we have crafted the absolute finest skincare products available for home and professional care and continue to do so as we embrace our role as the leader in plant stem cell technology and as a top international skincare brand. With innovative products that address every need and desire, advanced delivery systems and our unique layering technology, our exclusive line takes the science of skincare to the next level of excellence.
