### **Our professional and retail products are as follows:**

**O Cosmedics**, is an Australian made skin care range utilising the purist combination of medical grade and blended organic ingredients.

To get great results does not mean compromising ethical values, or putting your skin and health at risk with controversial harmful additives.

O Cosmedics is not tested on animals, chemical preservative free, organic where possible and is formulated with the highest possible professional strength actives.

Naturally based O products are free from parabens, petrochemicals, synthetic fragrance, artificial colours, and contain no sodium lauryl or laureth sulphate.

With actives dedicated to target, treat, prevent, and correct we can help you achieve the very best results in skincare.

**Institut' DERMED**, is a US brand product using organic plant based skincare ingredients, infused with the most innovated and advanced cosmeceutical ingredients. While we always aim for consistency and perfection for every batch, mother nature ▶

likes variety and for this reason skincare product color, texture and other traits may vary but be assured that the potency and efficacy is not changed.

**DermaQuest**, also a US brand and is a leader in plant stem cell technology. The skin journey starts by restoring and balancing all skin. The integrity of skin is fundamental to all medical skin care programs. DermaQuest will address all skin conditions and achieve results through our advanced treatment peels. The rewards of healthy, transformed and nourished skin are not only attainable, they are sustainable.

**Our Advanced Dermal Treatments vary in price from \$110 to \$130 your therapist will advise and guide you.**

#### **Add on to any facial treatment**

<b>Decollatage</b> Treatment includes peel and mask	\$40
<b>Hand</b> Treatment includes peel and mask	\$30
<b>Massage</b> - Decollatage, hands and arms or from the knee down	\$30

**Dermal Planing** is a simple and safe procedure for exfoliating the epidermis and ridding the skin of fine vellus hair (peach fuzz) DERMAL PLANING is “blading” of the skin or “advanced manual exfoliation”

A sterile surgical blade is used to remove the outer layers of dead skin cells and unwanted hair.

Skin is immediately left smooth, supple and vibrant, enabling product penetration to a greater depth.

DERMAL PLANING is extremely safe when performed by a properly trained professional.

**Dermal Planing** ~ 45mins \$70

**MicroHydrabrasion** The newest way to ensure that you have the cleanest possible skin treatment is with Microhydrabrasion. Microhydrabrasion is a system that exfoliates the skin with diamonds, and simultaneously cleans too. It is a lot like getting your carpets professionally cleaned!

**MicroHydrabrasion** ~ 60mins \$100

## Facial Treatments (continued)

---

**Dermastamp** - Collagen Induction Therapy - Dermastamp skin needling is clinical procedure with clinical results and skin improvements. Its suitability for all skin types has made it a key treatment for acne scarring, sun damaged and ageing skin, fine lines and wrinkles and stretch marks. Dermastamp uses very fine needles to promote tissue stimulation and skin rejuvenation. This is unlike any heat based technology as there is no skin burning and skin coagulation. The side effects are dramatically reduced and the risk, almost zero.

**Dermastamp Treatment** ~ 2hrs \$310

this includes a follow up Facial 7 days after the Dermastamp procedure.

**Home Micro-Needling** is a wonderful home treatment to effectively rejuvenate, regenerate and revitalise the skin's own natural healing response and products will penetrate further giving better results. Your therapist will give you a full consultation on using your Home roller.

**Home Micro-Needling** Lesson (includes your Home Roller valued at \$99) ~ 1hrs \$150
